

How do I load my Meal Plan Card?

By Email

Simply send an email to collegestore@trcc.edu. Be sure to include your name, student ID number, the 17-digit card number located on the back of your card, and the amount you wish to load. Normally you can load your card the week prior to classes starting and two weeks after classes start, if you have excess Pell or loans.

What does The College Store do for you?

Course Materials

To improve access and minimize your cost, most recycled physical and digital course materials are included in your tuition and fees. These are checked out to you to use for the semester, therefore allowing immediate access to all required digital and physical course materials on the first day of classes. Included are textbooks, online access to digital course materials through Blackboard, lab kits, required course supplies, as well as many other resources.

Online ordering and in-store pick up starts when we open our website for that term, usually at the time registration opens for that semester. Check our website for dates. You will need a printed copy of your class schedule and your student ID or driver's license to pick up course materials in-store.

Amazon Special Orders

If there is a specific item that you need but is not carried in our store, we offer the service of Amazon Special Orders. We will order the product you need from Amazon. Simply e-mail us the URL to the desired product on Amazon. You will need excess Pell or loans to place an Amazon Special Order, and it can be charged to your student account.

Laptop Rental Program

For some students, renting a laptop for the semester is more financially suitable than purchasing one. The College Store maintains a Laptop Rental Program offering laptops at \$90 per semester. You will need excess Pell or loans funds to rent a laptop, and it can be charged to your student account.

Work Study

If you are an approved candidate for the college's Work Study Program, The College Store offers up to two work study positions each semester.

The Meal Plan Card

Who can get a Meal Plan Card?

A Meal Plan Card would be right for you if you have excess Pell Grant or Student Loan funds. Family members can also load a Card for their student with cash, check, or debit/credit card.

What can I buy with a Meal Plan Card?

The Meal Plan Card was created to help you succeed academically by providing necessary resources through your excess financial aid. It can be used to purchase food, fuel, and other cost-of-attending needs at multiple locations in Southeast Missouri. It cannot be used to purchase alcohol, tobacco or pharmacy products, household items, gift cards, or lottery tickets.

Why do I need a Meal Plan Card?

With a Meal Plan Card, your excess financial aid becomes accessible to use a month or more before you would normally receive your financial aid refund from the College. Getting a strong start to your semester is essential to success!

When can I get a Meal Plan Card?

You can purchase a Card during the book pick-up period. This normally begins the week prior to the start of classes and runs through the first 3 to 4 weeks of fall and spring semester, and the first 2 weeks of summer semester. To get started, visit The College Store on campus, inquire via email, or you can order one on our website.
