

The Meal Plan Card

Helping You Succeed at
Three Rivers College

Who can get a Meal Plan Card?

You would be eligible for a Meal Plan Card if you have excess Pell Grant or Student Loan funds. It is also possible to purchase and reload a Card with cash, check, or credit card.

What can I buy with a Meal Plan Card?

The Meal Plan Card was created to help you succeed academically by providing necessary resources through your excess financial aid. It can be used to purchase food, groceries, and fuel at 27 locations in Southeast Missouri. It cannot be used to purchase alcohol, tobacco or pharmacy products, gift cards, or lottery tickets.

Why do I need a Meal Plan Card?

With a Meal Plan Card, your excess financial aid becomes accessible to use for meals, groceries, and fuel a month or more before you would normally receive your financial aid refund from the College. Getting a strong start to your semester is essential to success!

When can I get a Meal Plan Card?

You can purchase a Card during the book pick-up period. This normally begins the week prior to the start of classes and runs through the first 3 to 4 weeks of fall and spring semesters, and the first 2 weeks of summer semester.

The Meal Management Program

To Keep You Moving Forward

What is the Meal Management Program?

The Meal Management Program was designed to encourage more of our students to finish strong. We implement automatic, bi-weekly Meal Plan Card loads in order to provide a sense of stability through the life struggles that tend to accompany academic involvement. Utilizing this program, you will have a reliable source of budgeted income that will allow for food and fuel to keep your vehicle, body, and mind always moving forward.

How does it work?

Programs are customized to the individual. According to your financial aid availability, you can choose between a half-semester or full semester program; a portion of your financial aid will be automatically loaded onto your Meal Plan Card once every two-week load period for the duration of your program.

How do I enroll in a Program?

It's easy! Visit, call, or email us at the Main Campus in Poplar Bluff. We will look at your available financial aid and customize a program just for you.
